**XS FINANCIAL INC. CLOSSES \$13.4 MILLION PRIVATE PLACEMENT
LED BY GRAVITAS SECURITIES AND CANACCORD GENUITY**

LOS ANGELES, CALIFORNIA – March 3, 2021 – XS Financial Inc. (CSE: XSF) (the “**Company**” or “**XS**”) is pleased to announce that it has completed its previously announced private placement (the “**Offering**”), of (i) a brokered offering of 26,666,700 units (“**Units**”) at a price of C\$0.30 per Unit, led by Gravitas Securities Inc. and Canaccord Genuity Corp. (together, the “**Co-Lead Agents**”); and (ii) a non-brokered offering of 12,593,031 Units at a price of C\$0.30 per Unit and 5,251 proportionate voting units of the Company (“**PVS Units**”) at a price of C\$300 per PVS Unit, to raise aggregate gross proceeds of C\$13,353,219.

Each Unit consisted of one subordinate voting share of the Company (each, a “**Subordinate Share**”) and one share purchase warrant (each, a “**Warrant**”), with each Warrant entitling the holder to acquire one additional Subordinate Share at an exercise price of \$0.45 for a period of 2 years from the date of issuance. Each PVS Unit consisted of one proportionate voting share of the Company (each, a “**PV Share**”) and one share purchase warrant (a “**PVS Warrant**”), with each PVS Warrant entitling the holder to acquire one PV Share at an exercise price of \$450 for a period of 2 years from the date of issuance. The PV Shares are convertible into Subordinate Shares on a 1:1,000 ratio, in accordance with the terms thereof, and are issuable to certain United States residents in order to preserve the foreign private issuer status of the Company under applicable securities laws.

David Kivitz, CEO of XS Financial, commented: “Today’s announcement shows confidence in XS Financial’s platform as a leading CAPEX financing company for well-recognized cannabis companies. We are extremely appreciative of the significant number of existing investors who participated in our Offering and welcome many new institutional and strategic investors. We have experienced considerable demand for our competitively priced, non-dilutive leasing solutions, which are flexibly structured to build with our multi-state operator and single-state operator customers. XS is reviewing a large pipeline of opportunities in new and existing markets. With this Offering completed, existing bank financing, and syndication opportunities, the Company expects to quickly scale its leasing portfolio and add long-term monthly recurring payments, with the goal of driving shareholder returns.”

In connection with the Offering, the Company paid a cash commission to the Co-Lead Agents and certain other qualified registrants assisting in the Offering, and issued (i) an aggregate of 2,353,400 broker warrants (“**Broker Warrants**”) with each such Broker Warrant entitling the holder to acquire one Unit at an exercise price of C\$0.30 for a period of 2 years from the date of issuance; and (ii) an aggregate of 1,450,000 Units in satisfaction of a corporate finance fee.

The Company intends to use the net proceeds of the Offering for general working capital purposes. All securities issued and issuable under the Offering are subject to a four-month hold period from the date of closing of the Offering, in addition to any other restrictions under applicable law. All securities issued and issuable in connection with the Offering are subject to a statutory hold period expiring on July 4, 2021.

Certain officers of the Company acquired a total of 5,251 PVS Units in connection with the Offering. Accordingly, the Offering is a “related party transaction” under Multilateral Instrument 61-101 - Protection of Minority Security Holders in Special Transactions (“MI 61- 101”). The Company relied on the exemptions from the formal valuation and minority shareholder approval requirements of MI 61-101 contained in Sections 5.5(b) and 5.7(1)(a) of MI 61-101 in respect of related party participation in the Offering as the Company is listed on the Canadian Securities Exchange and neither the fair market value (as determined under MI 61-101) of the subject matter of, nor the fair market value of the consideration for, the transaction, insofar as it involves the related parties, exceeded 25% of the Company’s market capitalization (as determined under MI 61-101). The Company will file a material change report in respect of the Offering. However, it will be filed less than 21 days in advance of this closing, which is consistent with market practice and the Company deems reasonable in the circumstances given that no conditions to closing remain unsatisfied that would have required the closing to have been delayed for such period.

The securities offered have not been registered under the U.S. Securities Act of 1933, as amended (the “U.S. Securities Act”), or applicable state securities laws, and may not be offered or sold to, or for the account or benefit of, persons in

the United States or "U.S. persons" (as such term is defined under the U.S. Securities Act) absent registration or an exemption from such registration requirements. This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.
